

**John Boglis**  
**42B Spring Road**  
**Caulfield South Vic 3162**

Proud Dad to Jordan, 16, and Lucas, 14, John has been a parent of the Glen Eira Football Club since 2012. In that time the family have been active supporters of the club with both boys having come through the successful Budding Ref program, whilst John has volunteered his time to Coaching over the last 6 years.

John has over 25 years' experience across a number of industry sectors including Healthcare, Retail, Transport/Logistics, and the Arts. Prior to taking up the role as General Manager Channel Development with 24-7 Healthcare, he held various roles including - Head of Hearing Healthcare with Medibank Private, Business Development Executive with Vision Eye Institute and Commercial Development Manager with National Hearing Care.

John has previously served as Chairman and Board member of Multicultural Arts Victoria (MAV), a not for profit organisation that represents artists and communities from culturally and linguistically diverse backgrounds.

John wishes to assist the Club in its next phase of growth and development (in particular the forthcoming redevelopment of Lord Reserve) with his key strengths being:

- Leadership, people management and development
- Product/business development/innovation
- Business growth and strategic marketing
- Strategy development, execution, and change management
- Public speaking, presentation and communication
